Nympsfield is a Sport England National SASP

Safety Information for Trial Flights & Visitors

For safety reasons we cannot fly anyone who is over 102 kg (16 stone) or is not between 1.4m to 1.93m (4'7" to 6'4") in height. You must also be physically able to get into and out of the glider with minimal assistance (this is roughly the same as getting into or out of a bathtub). Please call us if in any doubt.

1. Visitors are not permitted beyond the Clubhouse, Café, Car Park or Garden areas unless accompanied by a Club Member. You will be escorted to and from the glider for your flight.
2. Please watch and take note of the safety video briefing.
3. Do not walk or drive in front of any aircraft or glider. Please be vigilant at all times particularly when crossing the field. The whole of the airfield is used for landings, potentially from all directions. **Aircraft that are committed to land may be unable to avoid you.**
4. Please keep children under close supervision and dogs on a lead at all times.
5. Do not approach the propellers of powered aircraft, even when engines are switched off.
6. Visitors are not permitted to use any of the Club's mechanical equipment under any circumstances.
7. Smoking is not permitted in the vicinity of aircraft and in all Club buildings.
8. Please remain behind the launch point vehicle while at the launch point.
9. Your vehicle is unlikely to be insured while on the airfield. Driving on the airfield is discouraged and at your own risk.

General Information for Trial Flights

- We will try to arrange the flight at your specified time but the nature of our sport and the weather does require a little flexibility, we ask your patience if we have delays.
- Please retain your voucher if you would like to take additional training flights within your temporary period of temporary membership. Additional flights may be taken at club member rates.
- If you have any questions about any aspect of gliding – please ask!
- If you wish to return and make use of your membership to fly again, please contact the office to obtain a copy of 'Notes for New Members'. Read these notes carefully and make sure you understand the safety notes before venturing onto the airfield unaccompanied.

Bristol & Gloucester Gliding Club (BGGC), Data Protection

• The BGGC holds personal information about members (name, age, qualifications etc) and contact details (address, email address and phone number etc.)
• The information about you will be used to organise and operate flying and social activity within the BGGC and communicate with you about club activities and your membership.
• A full data protection policy is available on www.bggc.co.uk
• The BGGC may disclose information about our members to the British Gliding Association (BGA). A copy of the BGA's Data Protection Policy is available on request from the BGA Office. The BGGC may disclose information about data subjects to the Civil Aviation Authority (CAA) where required to do so by law. The BGGC will not share your information with 3rd parties other than as stated.

Declaration for Trial Flights & Visitors

In consideration of my being admitted as a member of the Bristol & Gloucestershire Gliding Club ("the Club") and of my being afforded the Club facilities for gliding, I agree to be bound by the Operational Regulations of the Club and the British Gliding Association. (Trial Flights Only)

I have informed the Club of any medical condition, which could cause a problem with the flight (e.g. blackouts from any cause, epilepsy, severe head injury, recurrent fainting or giddiness, high blood pressure, angina, coronary artery disease, diabetes etc.) If in doubt please consult your GP.

I confirm that I do not weigh over 102 kg (16 stone) and I am betweeen1.40m and 1.93m (4'7" to 6'4") in height.

I confirm I have not consumed alcohol within the last 8 hours.

I understand my safety and the safety of others may be affected by my behaviour on the airfield. I have read and understood the safety information above and will behave responsibly and in accordance with instructions while on the airfield. All visitors accompanying me have also read and signed a copy of this safety briefing.

Name and signature of person giving briefing_____
