

BRISTOL AND GLOUCESTERSHIRE GLIDING CLUB

SOARING WITH THE BEST

Want to improve your flying?

Bristol and Gloucestershire Gliding Club are now offering learning weeks to allow you to develop your flying.

We can offer:

- Ab-initio (pre-solo) instruction
- Bronze preparation and testing
- Basic aerobatics
- Aerotow training
- Cross-country training

You will have the undivided attention of our weekday instructor who will tailor the week to your requirements.

Why us?

BGGC (Nympsfield) is in a prime location to exploit thermal and ridge, it's also possible to soar wave downwind of the Black Mountains on the right day! We have a wide fleet of gliders from our 2 K8's right up to our LS4 and DG-505. We also have 2 SuperCat winches along with a Pawnee and a Eurofox to launch you.
